VOCALLESSENCE ENSEMBLE SINGERS

In their first-ever appearance as a part of Music by the Lake, the Vocalessence Ensemble Singers bring to our series their “superbly blended sound” and “exemplary technique”, to quote some of their reviews. We are honored to host this “polished, bright and brilliantly balanced” 32-voice professional ensemble, founded and directed by Philip Brunelle. Their program is entitled “Hail, Minnesota” and it focuses on our state’s musical heritage, including Minnesota composers, singer-songwriters and the folksongs of our grandparents. Expect a high-spirited evening of all things Minnesota. Learn more about this highly acclaimed group at www.vocalessence.org.
