

Confirmation Checklist 2018-19

Faith Lutheran Church believes that parents are called to be the primary faith teachers. Our responsibility as church staff, is to support you as you raise your children in the knowledge and love of Christ. Because of the promises made at Baptism, and the Biblical command, we expect that you will be an active part of the Confirmation process.

This folder is to provide you an organized method in which to keep all of your student's confirmation requirements together. All family worship notes, service hours, mentor, and faith application documentation should be collected in this folder.

When your student has completed all requirements for the year please turn this folder and its contents into the front office no later than **August 1, 2019**.

Family Worship Notes: 9 Sundays and 3 Lenten Services = 12 total

You may use this space as a checklist when you have completed your Worship Notes. You will still need to fill out a "Worship Note" form and place it in your folder. At least 8 must be completed at Faith Lutheran; up to 4 can be from another church.
