Have you ever broken a rule to help someone?

Is there someone in your life that hurt you that you can forgive?

Walk Humbly with God: If you had an army of angels to help you, what would you do with them?

Homework

Justice: Give something away this week. It can be buying something and donating it to the food shelf; giving away a clothing item you never wear anymore; or giving someone \$1 for a soda at school.

Write down what you gave away and who you gave it to.

How did it feel to give something up?

Dreams: Imagine something that would make you feel like the most special person in the world. Is it getting a gift? Is it someone taking care of you? Is it someone cool hanging out with you? Write down ten things that make YOU feel special.

How can you give those things to other people?

If everyone had that, would it be just? Would it feel like mercy?

Can you give these things humbly to other people?
