## **Malachi & Jesus Small Group Discussion**

St. Ignatius said “Become aware of what gives you life.”

St. Teresa of Avila said “Become who you were meant to be, and you will  
set the world on fire.”

As you think back on the fall semester in IGNITE, at home, and at school, what are the things that have been your highs? What are the things that have been your lows? \*Bonus Points\* Ask your group if they can remember what things come up as a pattern for your highs and lows in multiple different weeks.

Highs:

Lows:

- 1) As you think about your lows, whatever they might be – school, homework, sports, friends, family problems, anxiety, depression – how do you wish God could have shown up for you? What did you want or need in the middle of those lows?
  
- 2) What do you wish God would do in the world to make it a better place?
